All photo entries and stories will become property of Myles’ Miracle Mission – CANcer Assist to be used for publication, display and promote to raise awareness and funds to support the FREE programs and education offered to those in Chatham-Kent.

- Please submit your 400 word essay in typewritten format. All entries will be printed exactly as given. *(take time to ensure accuracy)*
- Your submission should include the following ideas:
- Year of diagnosis/Type of Cancer
  - What difference has your cancer made in your life?
  - What does it mean to survive a life-threatening illness?
  - How did you handle insurmountable adversity that comes with a cancer diagnosis?
  - Words of encouragement, how to live for the moment
  - How did you make sense of your cancer experience?

Our hope is that this book will reflect the experiences of others and allow the reader to explore the universal questions raised by a cancer diagnosis. It will be in your unique answers, that have made you the cancer survivor you are today.
